ABOUT US

Since 1924, F. Bosch manufactures superior quality healthcare products. For over 90 years, we have remained focused on the core foundational principles of Tradition – Precision–Perfection and today we serve the medical and healthcare industries through a global network of long-term partners. Drawing upon its 90 years history, the F. Bosch brand evolves through a new line of premium quality disposables aimed at covering the medical, hygiene and occupational health industries around the world.

“ Since 1924, F. Bosch manufactures superior quality healthcare products ”

It is the mission of F. Bosch to serve as a leader in area of Corporate Social Responsibility. We look to give back to the community and provide positive social value. We have a duty to act in the best interest of the environment and society as a whole.

CORPORATE SOCIAL RESPONSIBILITY

All F. Bosch products have been extensively tested according to the most current European Regulations and are fully compliant with the appropriate international standards. Our products have been certified by the most esteemed notified bodies globally in order to ensure high quality and meet the expectations of the most demanding professionals. F. Bosch successfully applies ISO 13485 Quality Management System.

REGULATORY

ISO 13485

**BUREAU VERITAS
Certification**

EXAMINATION GLOVES

We offer a complete range of examination/protective gloves made of Nitrile, Latex & Vinyl. Our products are fully compliant with the European Regulations EU 2016/425 (Personal Protective Equipment – Cat III), EU 2017/745 (Medical Device Regulation – Class I), EC 1935/2004 & EU 10/2011 (for Food Contact). Our product catalog includes superior quality gloves suitable for the most arduous tasks in the Medical, Industrial, and Food sectors.
